
Intuit Education Program

Registering for QuickBooks Online

July 1st, 2014

Agenda

- Introduce Intuit Education Program (IEP)
- What is QuickBooks Online?
 - Benefits of QBO in the classroom
- How to Register for IEP, QBOA and QBO
- Technical Requirements
- Resources
- Next Steps

Intuit Education Program

- IEP is a program that offers educators and students complimentary accounting and tax software for academic use for a period of one year.
- IEP is open to K-12, colleges, universities, training centres, and adult education institutes in Canada.
- IEP also provides complimentary software training, support and product learning materials to educators.
- IEP offers QuickBooks Online Accountant (QBOA) to Educators and QuickBooks Online (QBO) for students.

Intuit Education Program

Offering complimentary accounting and tax software to educators and students across Canada.

Teach your students the practical skills they need to succeed in today's job market.

Educator Registration

What is QuickBooks Online?

QBO is an online, Intuit-hosted accounting solution that provides:

- Streamlined accounting with the most important accounting features
- Anywhere, anytime access
- Fast & efficient data entry
- Tracking for your day-to-day transactions including sales, purchases, banking, credit cards and sales tax
- Tracking for business management items including customers, suppliers, employees, budgets and projects

Five Benefits of QuickBooks Online

1. No software to install or upgrade

2. Access from school, home, anywhere, anytime

3. Access from multiple devices: MAC, PC, tablets, mobile phones

4. Easy connection to your students' accounts

5. Complements 21st Century Learning

How To Enroll in IEP

1

Educators

- Visit www.intuit.ca/education/index.jsp
- Click on the **Educator Registration** button (select QuickBooks Online as software required)
- Complete the registration form
- Click on Submit
- Your application will be processed within **5 business days**
- You will receive an email with a link and information on how to access QBOA and training materials.

2

Students

- Visit www.intuit.ca/education/students.jsp
- Complete the registration form (select QuickBooks Online as software required)
- Click on Submit
- Your application will be processed within **2 business days**
- You will receive an email with a link and information on how to access QuickBooks Online.
- If you have any problems registering, please contact your instructor.

How to Register for QBOA (Educators Only)
