1. Your PC or Mac must meet the minimum system requirements. 2. Mobile access only available with QuickBooks Online. We recommend using an iPhone or Android device for the best experience. Also works with Apple iPads. Please note, BlackBerry devices are not supported. 3. The first thirty (30) days of subscription to QuickBooks Online, starting from the date of sign up, are free. You will be asked to present a valid credit card account for authorisation when you subscribe, or to submit your bank account details for Direct Debit set up. After the first 30 days, you will automatically be charged at the then current rate for the service you have selected, until you cancel. 4. Works with Microsoft Excel and Outlook versions 2003 - 2010. QuickBooks Online can import .csv, .xls and .xlsx files. *GfK RT UK, Accounting Software Market, UK Retail Channel, by Volume and Value Sales, Aug '10 - July '11.
